Dear Participants,

We are pleased to announce that the Preliminary Round results of the Blockchain & AI Olympiad Bangladesh 2026 have been published.

The result PDF has been attached to this email. Please check the PDF carefully to see whether your project has qualified for the Final Round.

### Congratulations to the Finalists!

Congratulations to all the teams/projects that have successfully advanced to the Final Round. Your effort, creativity, and dedication have brought you one step closer to the final stage of the Olympiad. We wish you the very best for the upcoming round.

### To Those Who Could Not Qualify

For those whose projects could not make it to the Final Round, we sincerely appreciate your participation and effort. Do not be discouraged—every competition is an opportunity to learn and improve.

Best of luck for your future endeavors, and we hope to see you again in the next edition!

### FINAL ROUND — IMPORTANT SUBMISSION DEADLINE

**Final Submission Deadline: 4 September 2026**

**Time: 11:59 PM (BST)**

The submission link will be shared separately via email.

#### STRICT DEADLINE POLICY

- The submission timeline will be strictly enforced.
- No project submission will be accepted after 4 September 2026, 11:59 PM.
- Late submission will be considered a disqualification/elimination from the Final Round.
- Participants are strongly advised not to wait until the last moment and to complete their submission well before the deadline.
- Please ensure that all required files are properly prepared and submitted through the designated submission link.

| Total                                   | 100%   |

 **Prototype submission is mandatory.**

 **FINAL ROUND SCHEDULE**

The Final Round will begin from 6 September 2026. The detailed Final Round schedule, including the date and time assigned to each finalist/team, will be communicated to all finalists separately.

 **ATTENDANCE POLICY**

- All finalists must attend their assigned Final Round session at the scheduled time.
- If a team is unable to attend its scheduled session, it will be considered as not participating and may be eliminated from the Final Round.
- All teams are requested to keep their assigned time strictly available and make the necessary arrangements in advance.

 **PLEASE KEEP THE TIMELINE IN MIND**

| Date / Timeline            | Event                           |
|----------------------------|---------------------------------|
| 4 September 2026, 11:59 PM | Final submission deadline       |
| 6 September 2026 onward    | Final Round begins              |
| Final Round schedule       | Will be communicated separately |

The Final Round timeline will be very strict. Participants are requested to carefully note all deadlines and scheduled sessions.

Failure to meet the submission deadline or attend the assigned Final Round session may result in disqualification/elimination.

We strongly encourage all finalists to review their documents, presentation, prototype/demo, and other required materials carefully before submission.

Once again, congratulations to all the finalists, and our best wishes to every participant who took part in the Preliminary Round.

We look forward to seeing your best work in the Final Round.

Best regards,
